## Canadian Olympic Athletes

**Matching:** Match each Olympic athlete with the sport in which he or she medaled.

- |                              |                         |
|------------------------------|-------------------------|
| 1. _____ Brian Orser         | A. diving               |
| 2. _____ Ryan Cochrane       | B. downhill skiing      |
| 3. _____ Donovan Bailey      | C. ice hockey           |
| 4. _____ Emilie Heymans      | D. track                |
| 5. _____ Carol Huynh         | E. speed skating        |
| 6. _____ Hayley Wickenheiser | F. figure skating       |
| 7. _____ Sylvie Daigle       | G. trampoline           |
| 8. _____ Nancy Greene        | H. swimming             |
| 9. _____ Alison Sydor        | I. mountain bike racing |
| 10. _____ Karen Cockburn     | J. wrestling            |

**Research and Writing:** Choose one of the athletes from the matching activity above.

Use reference materials and the Internet to research this person and write three paragraphs about his or her life and career on the back of this page. Include the athlete's name, birth date, place of birth, and career information. You should mention the sport or sports played, the Olympic Games competed in, and the number and type of medals won by the athlete.
